

# Case Study - Boardroom In Mobberley

Luxury bespoke boardroom completed in light concrete bases with 2 integrated door fridges, a dark grey profile, a dark grey concrete door and smoked glass dresser units. The boardroom is complemented with dark concrete decor panels, TV backsplash and drawers. A 38mm dark concrete worktop and fly over complements 38mm dark concrete boardroom table. To finish the look, there was a matching breakout 1m round table. Lighting provided in the dressers and remote control profile lighting under the worktop completes the look.
